Question 3:

The Higher Education Act requires that Federal Title IV funds, including Pell Grants, Supplemental Educational Opportunity Grants (FSEOG), Work Study, Perkins Loans, Direct Subsidized and Unsubsidized Loans, Direct PLUS Loans, and TEACH Grants, must be used to pay for authorized institutional charges, i.e. tuition, fees, room, and board. Title IV cannot be applied to any other educationally related billed items such as health insurance, library fees, health center fees, etc., without authorization.

This act also requires that any Title IV funds awarded in excess of these charges must be refunded within 14 days. Credit balances resulting from Direct PLUS Loans will be disbursed to the parent, if the parent is the borrower, unless the parent authorized GW to release it to the student. If GW receives no additional authorization, Title IV will not be applied to non-institutional charges and will need to be paid in full by the student to avoid late penalties.

- Review the voluntary authorization information.
- Elect the authorization by clicking 'Yes' if you wish to provide consent, or 'No' if you wish to decline the authorization.
- Click 'Next Question' to continue to the next authorization
